

The Complete Professional Seminar

Has your business evolved?
How about your team?

Invest in soft skills training to build your brand!

- Want your team to be more effective networkers?
- Unsure of business vs. social etiquette?

- Confused with 'new' dress for success standards?
- Feel awkward hosting, dining or mingling with clients?

The Complete Professional

The one day "finishing school" that turns professionals into leaders:

- Exceptional client meeting & hosting etiquette
- Dress for instant brand credibility
- Savvy networking to boost your influence
- Outstanding electronic presence
- Classy business dining strategies

Presented by Joanne Blake & Terry Pithers of Style For Success Corporate Image & Etiquette Experts, co-authors of Executive Image and Etiquette Power and creators of business dining training rated #1 by the Wall Street Journal.

Injecting fun into the learning, they have helped professionals from corporate to construction gain an 'unfair' advantage in business and success in their careers.

Boost Your Team's Soft Skills and move from good... to great!
